LOCAL NOTIFICATION FOR CONCENTRATED ANIMAL FEEDING FACILITY (CAFF)

Purpose: This form is to be used to meet the Local Notification requirements of the Permit to Install Application (Part 9 of the General Information Form).

For Concentrated Animal Feeding Facilities (CAFF) you are required to document that you have notified the boards of county commissioners, the county engineer and the board of township trustees if you plan to apply to install, build, or expand a CAFF.

This notification must include the following information [see Rule 901:10-1-02(A)(7)]:

(a) The anticipated travel routes of motor vehicles to and from the facility;

(b) Notwithstanding any exemptions that may be applicable under section 5577.042 of the Revised Code, the anticipated number and weights of motor vehicles traveling to and from the facility with an estimated maximum overall gross weight of vehicles upon the road surface;

(c) Operational needs of the proposed facility for access to roads and location of such access; and

(d) Operational needs of the proposed facility for access to tiles, culverts, off-site drainage, rights-of-way for manure transport.

To document that you have met these local notification requirements, you must include copies of signed and dated correspondence to the local officials with your Permit Application. Send mail as "certified mail return receipt requested" and insert the original receipts of notice here with this page in the permit application.
