

DUNS # now required for the Specialty Crop Block Grant Program

USDA has not yet announced the 2011 Specialty Crop Block Grant program but in order to be a recipient of the grant funds you must have a DUNS number. If you do not have this number, please visit

http://www.grants.gov/applicants/request_duns_number.jsp and get your application in the process. You are not required to have the DUNS number before submitting your application to the Ohio Department of Agriculture for the 2011 Specialty Crop Block Grant program, but you will be required to have the number before acceptance as a recipient.

Please let me know if you have any questions and I will try to address them to the best of my knowledge.

Please keep checking back in regards to the announcement of the 2011 Specialty Crop Block Grant program.

Thanks.
