All of the sections of the Ohio Revised Code and Ohio Administrative Code can be accessed from these websites. This edition does not contain livestock exhibitor rules pursuant to Ohio's Livestock Exhibitor Reform Act. Information from the *Redbook* is intended to be used merely as a guide and should not be substituted for the advice of a competent attorney when legal questions arise. If a point of law is raised, it is best to consult an attorney.

As of publication of this document, several changes are being considered in Ohio Law which will affect Agricultural societies. As soon as these Revised Code Changes occur or the corresponding rules are adopted, changes will be made on ODA's website.
