The facilities named in the listing above are all located in Darke County. Each was issued a Review Compliance Certificate (RCC) by the Ohio Department of Agriculture (ODA) in 2004 to operate for a period of five years, after which time each facility is required to apply for a new PTO. Public notice is hereby given that these facilities have applied for a Permit to Operate (PTO) from the Ohio Department of Agriculture (ODA) and have met the requirements set forth in the Ohio Administrative Code (OAC) 901:10-2. The location of each facility, and the name and address of the permit applicant(s), follows the facility's name.

In accordance with Ohio Administrative Code rule 901:10-6-01, public notice is hereby given that the department is accepting comments on the draft Permits to Operate for the facilities in the listing. Any person may submit written comments on the draft permits and/or request a public meeting. Comments and requests for a public meeting must be in writing. Where there is significant public interest, the director will hold a public meeting. Written comments and/or public meeting requests must be received by the department no later than 5 p.m. on Nov. 20, 2009. Comments and/or public meeting requests must be hand-delivered or mailed to the ODA Livestock Environmental Permitting Program (LEPP) at 8995 East Main St., Reynoldsburg, Ohio 43068. Comments received after this date will not be considered by the director before issuing the final permits.

Copies of the draft Permits to Operate for these entity names may be reviewed or copies made at the ODA LEPP office. The permits can also be viewed at the Darke Soil and Water Conservation District Office, 1117 South Towne Court, in Greenville. Those interested should call the SWCD office at (937) 548-2410, Ext. 3, and make an appointment. Written comments cannot be submitted to the Darke SWCD office.
