

TO: INFLATABLE DEVICE OWNERS

**FROM: MICHAEL VARTORELLA
AMUSEMENT RIDE SAFETY DIVISION**

DATE: NOVEMBER 16TH, 2013

SUBJECT: INSPECTION & LICENSING OF INFLATABLE DEVICES

The date for 2013 inspection and licensing of inflatable devices has been scheduled. Attached is a registration form for you to complete and return to our office. All inspection and licensing fees must be paid at the time of inspection.

The date, time and location is as follows:

February 13th 2013 – Summit County Fairgrounds – Tallmadge – from 9:00AM. to 4:30PM

Our goal is to have most inflatable devices licensed, to better serve you and avoid delays in your licensing during the year. We try very hard to respond to your time schedule for inspection and licensing even though the law states we have thirty days to respond. Bringing your devices to this location is to your benefit as it may avoid inspection delays during the year.
