

2010 Ohio Dairy Quality Conference

Where: Bromfield Administration Building Auditorium
Ohio Department of Agriculture
8995 East Main Street
Reynoldsburg, OH 43068

When: Tuesday, October 12th, 2010

Time: Registration begins at 8:30 a.m., Conference begins at 9:00 a.m.

TOPICS:

- **MILK QUALITY STANDARDS – MARKET DEMANDS**
- **HOW TO GET BETTER QUALITY MILK**
- **LIVESTOCK CARE STANDARDS**
- **PRODUCER ROUND TABLE**
 - **Milk Quality**
 - **Economics**
 - **Livestock Care**
- **RAW MILK**
- **NEW TOOLS FOR PREGNANCY DIAGNOSIS**
- **LIVESTOCK DISPOSAL METHODS**
- **ROBOT MILKERS – PRODUCER PERSPECTIVE**
- **ODA UPDATE**

WHO SHOULD ATTEND:

The conference represents an opportunity to gather together industry representatives, regulatory, academic and research communities of interest to the dairy industry. The attendees are primarily dairy industry field personnel, regulatory personnel, veterinarians, haulers and other interested parties.

MISSION STATEMENT:

To create a team approach to communication, education, training & cooperation between ODA, OSU, and Ohio's allied dairy industries, as it relates to Ohio Dairy Farm Production.

The Ohio Department of Agriculture
