**Bauman Orchards, Inc. Issues Precautionary Recall for Apple Cider**

**RITTMAN, Ohio** – Bauman Orchards, Inc. of Rittman, OH, announces a voluntary recall of approximately 50,000 gallons of Apple Cider due to potential product contamination.

Doug Bauman, Vice President of Bauman Orchards, Inc. said, “This recall is being conducted as a precautionary measure because the apple cider was underprocessed. To date, no illnesses or adverse effects have been reported to the company in connection with the consumption of Bauman Orchards, Inc.’s apple cider.”

The product subject to recall include: Apple Cider

Identified by: UPC 2290600128 gallons, UPC 2290600064 half gallons

Manufacture date: September 1, 2010 through December 5, 2010

Store locations and approximate date sold to consumers: Distributed to stores in Ohio, sold September 1, 2010 through December 5, 2010

An Ohio Department of Agriculture inspection discovered the potential product contamination.

Because of potential product contamination, Bauman Orchards, Inc. urges its customers who have purchased the suspect product not to consume them and to return them to the company. Customers may bring those designated packages to any store location where purchased or call Bauman Orchards, Inc. at (330) 925-6861.
