*Salmonella* is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Healthy people may experience fever, nausea, vomiting, diarrhea (which may be bloody), and abdominal pain. In rare cases the organism can get into the bloodstream and cause more serious complications (for more information visit the Centers for Disease Control and Prevention's website at [www.cdc.gov](http://www.cdc.gov)<sup>1</sup>).

Mann Packing is working with its customers to remove the subject products from distribution. The appropriate regulatory agency has been notified.

Retailers have been contacted and asked to identify, segregate and hold all products matching the information included in this notice.

Consumers who purchased the specific items mentioned above are urged to return it to the place of purchase for a full refund. Customers and consumers with questions may contact Mann Packing at 1-800-285-1002 or via [info@veggiesmadeeasy.com](mailto:info@veggiesmadeeasy.com).
