RE: Recall Announcement (ODA/ODH) 2013-058

Salmolux Recalls Cold Smoked Salmon Products Because Of Possible Health Risk

Salmolux of Federal Way, WA is recalling its **cold smoked salmon products** because it has the potential to be contaminated with *Listeria monocytogenes*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women.

No illnesses have been reported.

Products affected by this recall are as follows:
