RE: Recall Announcement (ODA/ODH) 2013-133

Update: USPlabs LLC Announces a Recall of OxyELITE Pro Dietary Supplements Due to Possible Health Risk Recall expanded to include: Raspberry Lemonade OxyELITE Pro Super Thermo Powder

USPlabs LLC, Dallas, TX is voluntarily conducting a national recall of all lots and sizes of the OxyElite Pro dietary supplement products listed below.

These products contain Aegeline, a synthesized version of a natural extract from the Bael tree.

Epidemiological evidence shows that use of these products has been associated with serious adverse health consequences, namely serious liver damage or acute liver failure, concentrated in Hawaii. Investigations are ongoing into a potential causal relationship. The Company agrees with FDA that a national recall is appropriate as a precautionary measure.

Product was distributed nationwide through retail stores, mail orders and direct delivery.
