RE: Recall Announcement (ODA/ODH) 2014-032

Macadamia Nut Allergy Alert and Voluntary Recall of 15-Count Boxes of Chocolate Chunk LUNA® Bars Due to Package Mislabeling

March 27, 2014 - Clif Bar & Company is initiating a voluntary recall today of a small amount of 15-count boxes of Chocolate Chunk LUNA® Bars that were shipped to limited stores nationwide. These 15-count boxes include Chocolate Chunk LUNA® Bars made with macadamia nut butter, but the wrappers do not include macadamia nuts in the ingredient list or allergen statement. The wrappers do contain advisory allergen labeling, which states that the product may contain traces of other tree nuts. Clif Bar & Company is taking this precautionary safety step for people who are allergic to macadamia nuts. People with an allergy to macadamia nuts run the risk of a serious or life-threatening allergic reaction.

The voluntary recall applies to Chocolate Chunk LUNA Bar 15-count boxes or individual bars meeting the following criteria:

Bar UPC: 7-22252-10068-9

15-Count Box UPC: 7-22252-20068-6

'Best By' Dates:

11NOV14

14OCT14

No other LUNA Bar products, pack sizes, flavors or 'Best By' date codes are affected.

The company is strongly advising consumers who have macadamia nut allergies not to consume these mislabeled bars. No allergic reactions have been reported to date.

Clif Bar & Company cares deeply about the health and safety of consumers. We apologize for this inadvertent labeling error.
