RE: Recall Announcement (ODA/ODH) 2015-17

**Aron Streit, Inc. Issues Allergy Alert On Undeclared Milk Allergens In "Streit's Dark Chocolate Coins"**

Aron Streit, Inc. of New York, NY is recalling its .5 ounce packages of "Streit's Dark Chocolate Coins" because they may contain undeclared milk allergens. Consumers who are allergic to milk allergens may run the risk of serious or life-threatening allergic reactions if they consume this product.

The product comes in .5 ounce mesh bags marked with Code:1814 on the label. The recalled "Streit's Dark Chocolate Coins" were imported by Streit's and distributed nationwide in retail stores.

The recall was initiated after a consumer complained of an allergic reaction. Sampling by New York State Department of Agriculture and Markets Food Inspectors and subsequent analysis by Food Laboratory personnel revealed the presence of undeclared milk allergens in the .5 ounce mesh bags of "Streit's Dark Chocolate Coins", which did not declare a milk ingredient on the label.

Consumers who have purchased .5 ounce mesh bags of "Streit's Dark Chocolate Coins" are urged to return them to the place of purchase for a full refund. Consumers with questions may contact the company at 212-475-7000.
