RE: Recall Announcement (ODA/ODH) 2016-06

**Blendtech Issues Allergy Alert on Undeclared Milk Allergen in Uncle Buck's Fish Batter Mix - Original**

January 15, 2016 BlendTech Inc of Wichita, KS, is voluntarily recalling one lot of Uncle Buck's Fish Batter Mix - Original due to the presence of an undeclared milk ingredient. People who have an allergy or severe sensitivity to milk run the risk of serious or life-threatening allergic reaction if they consume these products.

The recalled Batter Mix was distributed in Bass Pro Shops stores nationwide and through mail order.

The affected product is packaged in a 22 ounce, yellow plastic bottle with black cap, UPC 9222972528, and marked with lot #09241505 on the bottom of the bottle.

No illnesses have been reported to date in connection with this problem.

The recall was initiated after BlendTech discovered product containing milk was distributed in packaging that did not reveal the presence of milk.

Consumers who have purchased the affected product are urged to discard it. Consumers who would like replacement or have questions may contact the company at 1-844-265-7354 or at 1-316-941-9660, Monday - Friday 8:00AM to 4:30PM CST.
