RE: Recall Announcement (ODA/ODH) 2016-44

Snyder's-Lance Announces Voluntary Recall of a Limited Number of Emerald® Cashew Roasted & Salted Halves & Pieces Due to Potential Presence of Glass

Snyder's-Lance, Inc. is initiating a voluntary recall for a limited amount of Emerald® 100 Calorie Pack Roasted & Salted Cashew Halves & Pieces product, distributed nationwide, due to the possible presence of small glass pieces. This voluntary recall covers only specific production codes of the following product:

Emerald® 100 Calorie Pack Roasted & Salted Cashew Halves & Pieces 7 Packs / 0.62oz

No injuries have been reported to date. We are recalling these products because they may contain small pieces of glass that could potentially cause injury. Although our investigation is ongoing, we believe the source of the glass to be the raw cashews received from one of our suppliers under a specific lot code.

We are taking this action out of an abundance of caution after receiving a consumer complaint. Consumers who may have purchased the product listed above should not consume it but should contact Consumer Affairs for a full refund online at <http://www.emeraldnuts.com/contact-emerald/> or by calling 503-364-0399 between 8am and 5pm Pacific Time, Monday – Friday.

The voluntary recall is limited to the production codes listed below. To locate the production code on the carton or inner package, consumers should look next to the nutrition facts panel. No other production codes, sizes or varieties of Emerald products are affected by this recall.
