RE: Recall Announcement (ODA/ODH) 2016-73a9

Mondelēz Global LLC Conducts Nationwide Voluntary Recall of Limited Quantity of Honey Maid Teddy Grahams Cinnamon Cubs Product Sold in Foodservice Channels in the U.S.

June 23, 2016 - Mondelēz Global LLC announced today a nationwide voluntary recall in the United States of the **Honey Maid Teddy Grahams Cinnamon Cubs Graham Snacks** sold only in Foodservice channels (not supermarkets). This recall is being conducted out of an abundance of caution following notification of a wheat flour recall by Grain Craft, a third-party flour supplier to one of our external manufacturers due to the potential for undeclared low levels of peanut residue in the flour.

While consumers with severe peanut allergies should avoid the recalled product, the FDA has stated that the amount of peanut exposure from the flour is low and not expected to cause adverse health effects in the vast majority of peanut allergic consumers. The company has received no reports of related illness to date and is taking this action as a precaution. The following Foodservice product is being recalled:

Description	Retail UPC	Best When Used By Dates
<i>Honey Maid Teddy Grahams Cinnamon Cubs</i> Graham Snacks, 0.5 oz	0 19320 01676 9	11 Oct 16 - 12 Oct 16 (top of package)

This recall is **limited exclusively to the Honey Maid Teddy Grahams Cinnamon Cubs Graham Snacks**, manufactured and sold in the U.S. through the Foodservice channel. No other *Honey Maid, Teddy Grahams* or any other Mondelēz International product is included in this recall, and the recall does not involve any product purchased in retail channels (supermarkets, etc.).

Affected consumers who have this product should not eat it and should discard any products they may have. Consumers can contact the company at 1-877-807-5633, 24 hours a day to get more information about the recall, and Consumer Relations specialists are available Monday-Friday, 9 a.m. to 6 p.m. ET.
